BlockBusters

Flaring Glimmer

Made using Studio 180 Design's Corner Beam®,
Rapid Fire® Lemoyne Star, Large Square Squared®,
& Tucker Trimmer® I tools and Blazing Lemoyne's &
Stacked Squares Tech Sheets

BlockBusters 2025 #104
Difficulty: ★★★★★

Everything you need to know to make the units required for this block can be found in the instructions that came with the **Rapid Fire® Lemoyne Star**, **Large Square Squared®**, and **Corner Beam®** tools, and the Stacked Squares and Blazing Lemoyne Stars technique sheets. There are charts, step-by-step graphics, and directions. Use the charts to find the information you need for the finished size units you want to make; follow it through to find what you need to cut to make those units. Then work your way through the instructions.

The combination of Blazing Lemoyne Star quadrants with traditional units makes this block unique. Select fabrics that have good contrast so that each part of the block stands out. You will want to pay attention when making your Blazing Lemoyne quadrants. You will work your way through the Blazing Lemoyne Star technique sheet to step 6, where you sew your pairs of star points together. Once you sew your pairs together you will trim the Lemoyne Star quadrants using the Tucker Trimmer® I to the size designated in the chart on the following page. Remember, you have already trimmed the "center point" sides of the Blazing Lemoyne quadrant, so the only trim you need to make is on the "outside edge" sides. For these blocks, I did use mirror image units, which means that you would need to make an "A" and "B" section in each color to recreate that look.

You can also substitute any of the Lemoyne Star technique sheets for the Blazing Lemoyne Star and come up with a completely different look for this block. Just stop at the point where you sew the pairs of star points together and trim the quadrants according to the chart size. Keep in mind that you will still need to make mirror image "A" and "B" sections if you substitute another technique. This block really lends itself to experimentation, so have fun making Flaring Glimmer your own!

Unit Summary

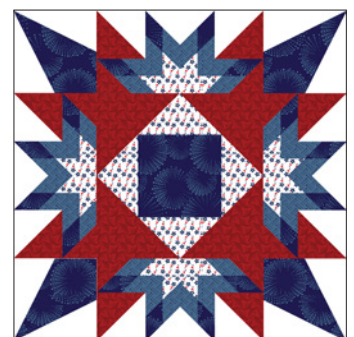

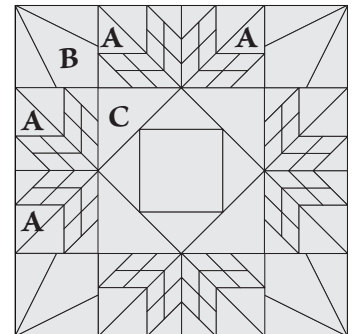

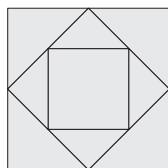

Unit A

Unit B

Unit C

Cutting Chart

Unit	# of units required	12" Block	16" Block	20" Block
A: Blazing Lemoyne Star Quadrant	8	Strip sizes for a 6" finished block	Strip sizes for a 8" finished block	Strip sizes for a 10" finished block
Blazing Lemoyne Quadrant Trim		3½" trim size	4½" trim size	5½" trim size
B: Corner Beam	4	3" finished size 3½" trim size	4" finished size 4½" trim size	5" finished size 5½" trim size
C: Stacked Square	1	6" finished size 6½" trim size	8" finished size 8½" trim size	10" finished size 10½" trim size
