# BlockBusters

## Witch's Hat

Made using Studio 180 Design's Split Rects®,  
Tucker Trimmer® I, and V Block® tools

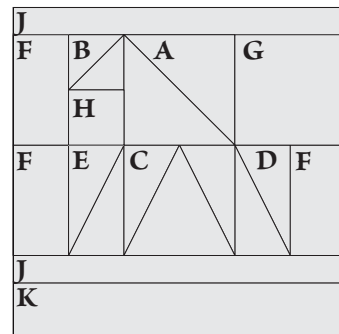

BlockBusters 2025 #106

Difficulty: ★★☆☆☆

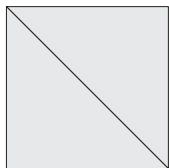

Everything you need to know to make the units required for this block can be found in the instructions that came with **Split Rects®**, **Tucker Trimmer®**, and **V Block®** tools. There are charts, step-by-step graphics, and directions. Use the chart to find the information you need for the finished size units you want to make and follow it through to find what you need to cut to make those units. Then work your way through the instructions.

Even though this block uses multiple tools, it's easy to construct using three fundamental units and some setting squares and rectangles. To help line up the seams and points as you put the block together, try pressing the seams open on the Half Square Triangle and Split Rects units. The simplicity of this block makes it perfect for a small wall hanging or miniature quilt, or try combining it with BlockBuster #74 "Leaves" and BlockBuster #95 "Jack" for a Halloween themed project!
